### **"What Do You Think You Know?" about this document?**

From this listed information, ask the class members to begin to interpret what they think they know about the coloured persons of Boston in 1818 based on their "What Do You Know" column. List on the chalkboard under a "What Do You Think You Know?" column.

1. We think there must have been a lot of work for boot blacks and hairdressers.
2. We think that women were not hair dressers in those days.
3. We think that the system of keeping track of people in those days was not very reliable  
because there had to be more than 84 coloured person in Boston in 1818.
4. We think that these coloured persons did not do apprenticed jobs.
5. We think that they are not in the trades.
6. We think that the custom in those days was to have very shiny, clean shoes.
